

Dance Projection's Easter & Summer Courses

A fun filled week with Dance, Drama and Singing with a performance at the end of the week of the musical theatre production. No background in any of these areas is necessary. For the children to perform in the final performance at the end of the week, the children will need to be present each day. The performance is filmed, which you are able to purchase at the performance.

All staff are DBS checked, insured and hold first aid certificates to ensure the fullest safe guarding of your child's welfare. If you drop off anytime before 10am or pick up anytime after 3pm please pay the full day rate.

Please ensure your child is signed in and out each day or inform us of arrangements made between you and your child of how they are getting home. Its all about having fun, no-one is made to do anything they don't want to. All children must be able to take care of themselves, able to take themselves to the toilet (no nappies), feed themselves and be prepared to join in. It is helpful if the children have seen the film or even better seen the production, as this helps with their enjoyment if they know the storyline and helps their acting. Any questions don't hesitate to contact us.
